Preface

This publication contains a single cemetery, Lloydminster Cemetery (AGS Key No. 10). The surname list begins on page 1 and a listing by plot number on page 49.

Lloydminster (Map Grid I-8) straddles the boundary between the provinces of Alberta and Saskatchewan. The cemetery is on the Saskatchewan side, in the north east part of the City near the golf course.

The information contained herein was recorded by the Border Branch of the Saskatchewan Genealogical Society and the Edmonton Branch of the Alberta Genealogical Society.

Abbreviations used in this publication:

d = died, b = born, int = interred, a = age,
fa = father, mo = mother, da = daughter, w = wife, h = husband,
pt = parent(s)

DS = double stone, TS = triple stone, NH = no headstone
res = reserved or residence at.

Note: Some of the death dates have been transcribed from the records but it is not always clear whether these are actually death or interment dates.
